EZ Back Zero Gravity Chair

- Luxurious, Reliable, Comfortable
- Great for manicure, pedicure, waxing, facial, and eyelash extensions
- Three different options for massage:
Roller massage, Vibrating massage, without massage
- Two separate remote controls, one for the customer and one for the technician

- Elevate customer's feet to a comfortable position for technicians
- Lose yourself in total relaxation
- Customers will race to be first in line to repeat the excellent experience once they have told their friends about the Zero Gravity Chair.
- Not just for nail salons. Zero Gravity Chairs have been used and loved by many Americans in the last 10 years, mostly for watching TV, reading, relaxing or sleeping.
